We wish to inform you that as part of “Centenary Celebrations of KCD”, we are organizing a National Conference on “Psychology for Enhancement of Human potentialities” at Karnatak Arts College, Dharwad on 5<sup>th</sup> February, 2018. The Conference will provide an excellent platform for the interaction of ideas and thoughts among academicians, professionals and Research students to expand their understanding and application of Psychology to enhance human potentialities.

Psychological theories and therapies, principles and techniques, methods and measurements have always attempted to enhance human potentialities. Psychology aims at enhancement of human potentialities by channelizing our energy and effort in reaching goals - be it in maximizing our potentials in professional life, strengthening social life or promoting a healthy and productive life.
